

Building Peace ↔ Tackling Racism

Saturday 21st March 2009
at Bolton Quaker Meeting House
12.00 – 4.00pm

An afternoon event to continue the process of
learning, meeting, dialogue and active networking

THIS EVENT is a space for anyone concerned about working towards harmonious relationships in our diverse communities.

You might have participated in previous conferences (in 2007 and 2008) or you might just wish to meet with others and find out more. Quakers and non-Quakers are all equally welcome.

This forms part of the work of **Northern Friends Peace Board** (NFPB), a Quaker organisation committed to promoting peace 'in all its height and breadth'. (We are a charity, number SCO 24632)

There is no fixed charge for the event, but we invite **contributions** in the region of £5.00.

What will happen.

There will be ...

- informal time for **meeting** and *talking* over **FOOD** (provided)
- **workshops** looking at different aspects of *dialogue* (contributed by Lisa Cummings of the *Programme for a Peaceful City* and Liz Neat of the *National Coalition Building Institute*.)
- **DISPLAYS**, literature
- time for **discussing** particular topical concerns
- time to view the **DVD** from last year's conference

If you would like to come, please either fill in this form or email the details requested to:
